- Alongside these general exclusions from insurance protection, specific exclusions are regulated in Article 15.

Article 7

What do the sums insured mean?

1. The insured amount in each case constitutes the maximum payment by the insurer for all insured events before and during the insured trip.
2. In the event of the conclusion of two or more insurances whose respective insurance periods overlap each other, the insured sum is not multiplied.

Article 8

What obligations have to be observed to maintain the insurance cover (duties)?

The insured person must fulfil the following obligations, otherwise no payment will be made:

In addition to these general obligations, special obligations are set out in Art. 16.

In the event of the intentional violation of any obligation, the insurer is released from payment; in the event of grossly negligent violation, the insurer is released from payment only insofar as the violation has influenced the ascertainment of the event insured against or of the amount of the benefit, or has influenced the actual amount of the benefit.

Article 9

How do declarations have to be made?

Unless otherwise agreed, the written form is necessary for notifications and declarations of the insured to the insurer.

Article 10

What applies in the event of entitlements from other insurance policies (subsidiarity)?

2. If official investigations or proceedings have been initiated in connection with the insured event, the insurer shall be entitled to raise a defence that the debt is not yet due until conclusion of such.

Article 12

When can insurance claims be assigned or pledged?
