## What is insured?

### Trip cancellation and trip curtailment

The subject of the insurance policy is a booked trip (e.g. hotel or rental arrangement) . Additional booked services and travel costs may also be insured, but they must be taken into account in the amount selected for sum insured for cancellation.

An insured event occurs if the insured person is unable to commence the trip or part of the trip or has to curtail the trip for one of the following reasons:

#### Medical reasons

- death of the insured person;
- unexpected serious illness, serious bodily injury caused by an accident, unexpected acute onset of an existing illness or consequence of an accident, fracture or loosening of implanted joints or adverse reaction of the insured person to a vaccination;
- premature birth or unexpected, severe pregnancy complications up to and including the 35th week of pregnancy.

The start of pregnancy is only insured if the insurance was taken out within 3 days of booking the trip at the latest.

#### Reasons related to work and education

- loss of employment through no fault of the insured person as a result of termination of employment by the employer;
- short-time work of the insured person as a result of non-seasonal economic difficulties of the company at which the insured person is employed if, as a result, the regular gross salary is reduced by at least 35% for a period of at least three consecutive months;
- conscription of the insured person into basic military or civilian service, provided that the competent authority does not accept the travel booking as a reason for post-poning the conscription;
- failure of the insured person to pass the school-leaving examination or a similar final examination following a school course of at least 3 years' duration immediately prior to the travel date of the trip that was booked before the examination.

#### Family reasons

- unexpected serious illness, serious bodily injury caused by an accident, unexpected acute onset of an existing illness or consequence of an accident, fracture or loosening of implanted joints or death (including suicide) of family members or other close friend or relative, as a result of which the presence of the insured person is required. The close friend or relative must be named to the insurer in writing when the insurance is taken out; only one close friend or relative may be named per booking;
- filing of the petition for divorce or dissolution (in the case of separation by mutual consent, the corresponding petition) at the competent court or abandonment of the joint place of residence before the insured joint trip of the spouses or partners affected;
- dissolution of cohabitation (that has lasted for at least six months) before the insured joint trip of the cohabiting partners affected (affidavit of the cohabiting partners affected is required)

#### Crime and property damage

- significant material damage to the property of the insured person at one of his or her places of residence as a result of an Act of God (flood, storm, etc.), fire, burst water pipe or criminal act committed by a third party, as a result of which the presence of the insured person is necessary.

#### Other reasons

- receipt of an unexpected court summons by the insured person, provided that the competent court does not accept the travel booking as a reason to postpone the summons.

The insurance covers the event for the insured persons affected, their accompanying family members who have insurance of equal value and additionally per event up to a maximum of six further fellow travellers who have insurance of equal value. Anyone who is also insured with Europäische Reiseversicherung AG, Vienna, for such an insured event shall be deemed to have equivalent insurance cover.

Family member means a spouse (or registered partner or cohabiting partner), children (stepchildren, children-in-law, grandchildren, foster children, adopted children), parents (step parents, parents-in-law, grandparents, foster parents, adoptive parents), siblings, stepbrothers and sisters-in-law of the insured person; for a registered partner or cohabiting partner living in the same household, this also includes their children, parents and siblings.

#### The insurer reimburses

- for trip cancellation the cancellation costs you owe under the travel contract;
- in the event of trip curtailment, the paid but unused parts of the insured trip.
